

## Aerosol Chemicals

### **Reformulated Aerosol Chemical Products to Deliver Superior Performance**

#### **Improved availability/delivery**

- For dealers in Europe, Africa and the Middle East (EAME), we have introduced an improved ordering process, linked to a European-based supplier distribution, reducing delivery times.

#### **Product**

- High use cleaning aerosol chemicals
- Brake cleaner has been reformulated as a non-chlorinated, low VOC, multi-purpose cleaner

#### **Pricing**

- Lower/competitive pricing

EAME dealers now have a European-based distribution house, making these products easy to order and quickly available.

Caterpillar's goal is to stay committed to providing the best line of shop consumables at a competitive price while delivering excellent product value.

## Features

### Electrical Component Cleaner (222-3119)

- Cleans dirt, dust, and grease from electrical contacts
- Leaves no residue
- Cleans and dries quickly, no need for rinsing
- Will not cause corrosion
- Nonflammable material

### Windshield Cleaner (222-3120)

- Good for all types of glass
- Safe for plastics, vinyl, tile and all hard surfaces
- Non-streaking
- Dries completely
- Does not leave a film

### Battery Cleaner (222-3111)

- Dissolves and neutralizes battery acid and harmful corrosion from all battery parts, terminals, cables, hold-downs, and boxes
- Recommend for all construction and industrial equipment batteries
- Can be used on automobiles, marine, and industrial batteries

### Battery Saver (222-3112)

- Creates a protective coating, giving maximum battery protection
- Recommended use on all battery installations
- Keeps dirt and other contaminants from interfering with the flow of power
- Prolongs battery, cable, and clamp life

### Heavy Duty Penetrating Oil (222-3115)

- Loosens up in a snap...frozen nuts,

bolts, pipe fittings, heat valves, rolling pins, press fit parts, key ways

- Heavy duty
- Effectively loosens stubborn parts
- Enhanced penetration action

### Light Penetrating & Lubricating Oil (222-3123)

- Use on anything that squeaks, sticks, or binds, like door hinges, hand tools
- Lubricates tight fitting or stubborn bolts, nuts, keys, and pins
- Displaces water
- Can be used to dry wet electrical system
- Loosens nuts, bolts, fittings, battery cables, and hinges
- Rust and corrosion inhibitor

### Dry Film Lubricant (222-3116)

- Dry, low friction lubricant
- Does not attract dust or dirt
- For use with sliding surfaces, such as Motor Grader blades, circles and Backhoe Loader extended stick and side shift mechanisms

### Brake Cleaner (222-3118)

- Cleans parts of dust, dirt, grease, oil, and brake fluid residue
- Non-chlorinated formula
- Fast acting cleaner for all metal parts
- Dries quickly
- Low level of volatile organic chemicals
- Approved for sale in California

### Chain & Cable Lube (222-3110)

- Good corrosion and rust resistance
- Reduces and protects chain against wear

- Foaming action that helps cover all surfaces
- Fast penetrating action
- Resists high temperature breakdown
- Increase life of chains and cable

### General Purpose Spray Adhesive (222-3113)

- Works on metal, foam, or decals
- Does not require a catalyst
- Short open time
- Convenient aerosol application
- Excellent general purpose adhesive
- Quickly fixes problems in the shop or field

### Anti-seize High Temp (222-3114)

- Allows easy loosening of joined parts in high temp environments
- Matches Caterpillar production specifications
- Heavy duty

### Rust Preventative (222-3121)

- Provides a hard film surface
- Up to (1) year corrosion and rust resistance
- Protects equipment stored outside
- Helps protect equipment used around salty environments
- Provides protection in humid environments

### Plastic & Rubber Protectant (222-3122)

- Contains no silicone
- Formulated with UV inhibitors to protect surface area
- Cleans and protects
